Will there be parking at the event?

Valet will not be available at this year's event. Parking will be on a first come, first served basis on surrounding streets. Please refrain from double parking on the street to allow access for emergency vehicles, pay special attention to any posted signage, and park at your own risk. Additional parking will

be available across Providence Rd. at Christ Church. To avoid any issues, we highly encourage Uber & Lyft as alternate modes of transportation to and from the event. *As always, please drink responsibly.*

What happens if it rains on event day?

This event is outdoors and will be held rain or shine. In the event of rain, the majority of the yard will be tented but we do recommend that you plan accordingly and dress for the weather. Umbrellas are encouraged. Regardless of the rain forecast, we recommend you plan for warm weather.
