Human Trafficking Outreach Coordinator
Position Description

Organization Description
Since 2005, Pat’s Place has served as a multidisciplinary hub, bringing together detectives, child protection workers, medical and mental health providers, and prosecutors to respond collaboratively to child sexual abuse allegations.

Our mission is to drive resolution of child sexual abuse cases through investigation and collaboration with key partner agencies; provide a safe and compassionate environment that puts the well-being of the child first; break the cycle of abuse through training, education and community outreach.

Position Title: Human Trafficking Outreach Coordinator
Reports To: Director of Outreach and Education

Position Summary
The Human Trafficking Outreach Coordinator is responsible for leading community efforts to enhance the prevention, identification and response to suspected and identified victims of human trafficking. This includes the development and facilitation of multidisciplinary response guidelines and the creation of a community case review forum for enhanced investigation and service coordination. The Coordinator is responsible for the collection and reporting of relevant data relating to human trafficking victims identified in Mecklenburg County. The HT Outreach Coordinator will assist the community in the identification of existing programs and services as well as those required to address unmet needs of suspected and known human trafficking victims.

Responsibilities:

Outreach and Education
- Assist the community in identifying and developing needed services for human trafficking and CSEC victims
- Provide outreach and education to professionals and community members regarding best practices in the areas of prevention, recognition and response to suspected and identified victims of human trafficking
- Identify outreach materials for identifiers of and first responders to victims of human trafficking
- Participate in outreach and education activities related to the Child Advocacy Center/Multidisciplinary Team model, and child sexual abuse identification, intervention and prevention

Partnerships
- Develop, coordinate and facilitate interdisciplinary, interagency team to ensure immediate, trauma-informed and developmentally appropriate response and intervention
• Develop opportunities to participate in national and regional organizations that work to raise awareness, seek preventive measures, and provide services to survivors of trafficking; serve as leader or representative on appropriate local, state or regional committees and task forces, as appropriate
• Maintain relationships with local human trafficking service agencies
• Work with community partners to establish and implement a streamlined response to suspected human trafficking victims

Data Collection and Administration
• Maintain database of unduplicated suspected and confirmed human trafficking and CSEC victims in Mecklenburg County
• Work with community partners to develop valid and reliable estimates of the size of the human trafficking problem in Mecklenburg County
• Work with community partners to establish and implement a standardized tool for the identification of suspected minor and HT victims
• Other duties as assigned

Qualifications
• Master’s degree in Human Services or related field preferred.
• 3-5 years of experience in human trafficking, sexual assault or related field preferred.
• Polished, experienced communicator and facilitator with the capacity to engage diverse constituencies.
• Experience and skills in community organization or implementing public health initiatives.
• Excellent written and verbal communication skills.
• Excellent technology skills.
• Demonstrated ability to build collaborative relationships internally and externally and work as part of a team with maturity, professionalism, positive attitude, tact and good judgment.
• Unimpeachable ethics.
